Hindi

English

## About Me

I am a Computer Science and Engineering student at NIT Delhi. I am passionate about building scalable and efficient web applications, with a strong focus on Full Stack Development. I have hands-on experience with modern technologies including React.js, Node.js, and MongoDB, and I am continuously expanding my knowledge in backend systems. Alongside development, I have a deep interest in problem-solving

## PROJECTS

1. Water Distribution System  
React-Js , Physics
